WELLAND COUNTY PUBLIC SCHOOLS
INSPECTOR'S OFFICE

J. W. MARSHALL, B. A.
SENIOR INSPECTOR

Welland, Sept. 6, 1915. 191
CANADA

President Falconer,
Toronto University
Toronto, Canada.

Dear Dr. Falconer:-

At a meeting of the Executive Committee of the Welland County Teachers' Institute held to-day it was unanimously decided to invite you to give the address at the evening session of our annual convention to be held at the Town of Welland on Thursday Oct. 7, 1915.

The question of the subject of your address is to be left entirely to your choosing though we should like to have it in time to have it printed in our programmes.

As Welland has this year opened a new High School and a new Public School together costing over \$100,000 and other Public Schools in the County to the value of \$65,000 are at present under construction we feel that it is a fitting year for the President of the Provincial University to honour us with his presence at our annual convention. The fee of \$25 and expenses are not inducements but incidentals.

Our deliberations of course cover two days, the evening session falling on the first date.

We shall be pleased to have a favourable reply at your earliest convenience.

Yours very truly,

J. W. Marshall.

Inspector of Schools,
Welland.

Dear Mr. Marshall:

I shall be glad to go to Welland for Thursday evening October 7th to speak to the teachers of the Welland County Institute. I do not want anything but my expenses, so that the fee of \$25.00 you mention is not at all necessary. I should like to leave here in the afternoon and get back to Toronto early on Friday.

Yours sincerely,

President.

J. W. Marshall, Esq.,
Senior Inspector,
Welland.

Dear Mr. Marshall:

I am sorry to have to ask you to release me from my engagement to go to Welland next week, but since the middle of last week I have been confined to bed with a trouble from which happily I am now recovering very well. It means, however, that I must go very slowly for the next few weeks, and with the opening of the session and my necessary engagements here I feel that it would be unwise for me to go out of the city next week. Will you kindly express my great regret to the teachers at not being able to fulfill my engagement? I hope, however, to be with you some time in the future.

Yours sincerely,

President.

Welland, Ont.

Dear Mr. Marshall:

Seeing that your programmes have been printed and distributed it will be impossible to remove my name and to correct the announcement, but I fully believe that it will not be possible for me to go to Welland. If I can undertake my regular opening address to the students on Tuesday it will be as much as I should undertake for the week. If I should ask Principal Hutton or some other University man to take my place, how would that suit you? I regret to cause you disappointment, but illness is something one must bow to.

Yours sincerely,

President.

Dear Mr. Marshall:

I am very glad to know that you have got Archdeacon Cody to take my place at the meeting of the Welland County Institute next Tuesday. You are indeed fortunate, and it is a great relief to me to know that you are being so excellently served.

With kind regards, I am,

Yours sincerely,

President.
